Subject: City of Cape Coral, FL Seeks Director of Development Services

You don't often get email from executive.recruitment.bakertilly.com@q5i.e2ma.net. [Learn why this is important](#)

Attention: This email was sent from someone outside of City of Amarillo. Always use caution when opening attachments or clicking links from unknown senders or when receiving unexpected emails.

Casie,

The City of Cape Coral, Florida, is seeking a strategic problem-solver with a strong planning background to serve as the Director of Development Services. Our firm has been retained to assist the City with this recruitment. A brief description, along with the qualifications, are listed below for your review. We ask that you pass this along to anyone you know who would be qualified or interested in this position.

The City of Cape Coral, Florida (est. pop. 213,000), known as a "Waterfront Wonderland" is a picturesque waterfront paradise with many attractions for residents and tourists alike. Its 400 miles of canals (some of which are nearly 200 feet wide!) are open to boating and fishing with direct access to the Caloosahatchee River and the Gulf of Mexico. Sirenia Vista Park, a manatee haven, offers scenic kayak routes leading to the Matlacha Pass Aquatic Preserve, Yacht Club Community Park boasts a pristine beach and pier along the tranquil Caloosahatchee River, while the Four Mile Cove Ecological Preserve beckons nature enthusiasts. Cape Coral is a dynamic city with a tropical lifestyle and progressive strategies in place to wisely care for the environment and provide the necessary infrastructure for the future.

Subject: Dept of Environmental Protection for Montgomery Co, MD seeks Deputy Director

Attention: This email was sent from someone outside of City of Amarillo. Always use caution when opening attachments or clicking links from unknown senders or when receiving unexpected emails.

Casie,

Montgomery County, Maryland is seeking a Deputy Director for its Department of Environmental Protection. Our firm has been retained to assist the County with this recruitment. A brief description, along with the qualifications, are listed below for your review. We ask that you pass this along to anyone you know who would be qualified or interested in this position.

Montgomery County, located adjacent to Washington, DC, has over one million residents and is one of Maryland's most populous and affluent counties. The Department of Environmental Protection leads the County's efforts for a range of environmental programs, including reducing greenhouse gas emissions, enforcing laws and regulations related to air and water pollution, and managing resource recovery and solid waste management facilities. The Department is supported by 207 employees and a Capital Improvement Program budget of \$350 million.

Reporting to the Department of Environmental Protection Director, the Deputy Director is responsible for shaping and implementing complex environmental programs for the County. The position serves as the senior environmental manager, with responsibilities for steering the alignment and integration of strategies for the environment, recycling and solid waste services, and climate change. This is an appointed, non-merit position in the County Government.

[Click here to view the recruitment brochure.](#)

This position requires a master's degree from an accredited college or university in public policy, Public or Business Administration or related areas; and seven years of experience in the planning and management of complex public policy programs, including state public policy, environmental programs, or related areas. At least four (4) years in a senior managerial or supervisory capacity is required. An equivalent combination of education and experience may be substituted.

The starting salary is highly competitive, **up to \$213,394**, depending upon the background and qualifications of the successful candidate. Montgomery County has an exceptional compensation package including pay for performance, medical, dental, life insurance, long-term disability among

This position is opened until filled. Please apply at:

<https://www.governmentjobs.com/careers/bakertilly/jobs/4248343>

Candidate names will remain confidential until a finalist is selected and the County Executive sends the nomination to the County Council. For more information, please contact Art Davis at art.davis@bakertilly.com or 816-868-7042.

Subject: The City of Macon, MO is seeking a City Administrator

Some people who received this message don't often get email from executive.recruitment.bakertilly.com@q5i.e2ma.net. [Learn why this is important](#)

Attention: This email was sent from someone outside of City of Amarillo. Always use caution when opening attachments or clicking links from unknown senders or when receiving unexpected emails.

Kevin,

The City of Macon, Missouri is seeking a City Administrator. Our firm has been retained to assist the City with this recruitment. A brief description, along with the qualifications, are listed below for your review. We ask that you pass this along to anyone you know who would be qualified or interested in this position.

Macon, Missouri (est. pop. 5,500) is centrally located approximately 150 miles northeast of Kansas City and northwest of St. Louis. Nestled amidst captivating woods, choice farmland, and spectacular lakes, Macon is a quiet but active and progressive city built on traditional family values. Macon offers abundant recreational opportunities, including an extensive park system, sports facilities, and cultural events throughout the year.

Reporting to the Mayor and City Council, the City Administrator is responsible for the administration of all affairs of the municipality, recommending measures that are expedient and necessary to the Council, and the preparation, presentation, and management of the city's annual budget, which is just over \$4M in FY2024. The City Administrator will need to be adept at engaging with elected

officials, staff, and citizens with diverse needs and expectations, and committed to community involvement, ensuring accessibility, respect, and responsiveness to citizens and elected officials while maintaining a healthy work-life balance.

[CLICK HERE TO VIEW THE RECRUITMENT BROCHURE](#)

This position requires a High School diploma/GED, along with five to seven years of relevant, progressively responsible experience, including supervisory experience. An advanced degree from an accredited university or college with major coursework in business, accounting, finance, public, or municipal administration is preferred. Alternatively, an equivalent combination of education and experience in related fields, where public administration, public relations, and financial management are key elements, will be considered.

The starting salary for this position will be \$85,500 - \$105,500. The city offers a comprehensive benefits package to include health, vision, and dental insurance; basic life and accidental death insurance; long term disability insurance; paid holidays, sick leave, and vacation; personal leave; and participation in the LAGERS Retirement Plan. Residency is required. The city offers relocation expenses reimbursement up to \$5,000.

This position is open until filled; however, first review of resumes occurs on Monday, June 10, 2024. Qualified applicants are asked to apply at:

<https://www.governmentjobs.com/careers/bakertilly/jobs/4494121/city-administrator-macon-missouri>.

For more information, please email Art.Davis@bakertilly.com or call 816-868-7042
